

## End of Life Notification (EOL) - Wave I monitor series (WAXXX-01.MON.01-XXXX)

**Notification date: 24. September 2019**

The below listed models are approaching the End of Life stages.

### Last Time Buy (LTB)

The planned Last Time Buy dates are as follows;

Wave I 19" monitors (WA190-01.MON.01-XXXX):	30. April 2020
Wave I 21.5" monitors (WA215-01.MON.01-XXXX):	No availability
Wave I 24" monitors (WA240-01.MON.01-XXXX):	15. December 2019
Wave I 27" monitors (WA270-01.MON.01-XXXX):	15. December 2019

Due to component supply issues, North Invent can only build a limited number of Wave I monitors. Depending on overall demand following this EOL Notification North Invent may run out of parts prior to the LTB date. It is also possible that if demand is low, North Invent could extend the LTB date.

### End of Service (EOS)

North Invent will offer service and repair of the Wave I monitors for a minimum of 12 months from LTB date.

### Suitable Replacements

North Invent propose to replace the EOL monitors with the Wave II series:

Wave I monitor (EOL)	Suggested Replacement (standard version / full version)
Wave I 19" (WA190-01.MON.01-XXXX)	Wave II 19" (WE190 000 117 / WE190 000 138)
Wave I 21.5" (WA215-01.MON.01-XXXX)	Wave II 21.5" (WE215 000 109 / WE190 000 137)
Wave I 24" (WA240-01.MON.01-XXXX)	Wave II 24" (WE240 000 105 / WE240 000 136)
Wave I 27" (WA270-01.MON.01-XXXX)	Wave II 27" (WE270 000 100 / WE270 000 135)

Actual compatibility of the standard version and full version will depend on use-case.

For further enquiries regarding this End of Life Notification, please contact your North Invent representative.

Regards,
